RC Products of Vancouver, Canada is expanding representation of their successful ski and snowboard accessory distribution to the USA for the 2011.12 winter season. We are looking for agencies to represent the Northeast, Northwest, Midwest and California territories.

Successful agencies must:

- Have established relationships with SKI **AND** SNOWBOARD retailers in their territory
- Represent complimentary brands (skis/snowboards/goggles/helmets)
- Travel extensively throughout the territory in the winter and booking season
- Attend at least ONE snow sports tradeshow in your respective territory per year
- Attend the SIA tradeshow in Denver

They must also bring a high level of enthusiasm and energy to the territory as well as organization, professionalism, and strong business acumen.
